

In our continued commitment to transparency and good stewardship, we are sharing our parish Profit & Loss Statement with you. We want our parishioners to remain informed about the financial health of our church and how your generous contributions help support the ministries and needs of St. Ann Parish. As you can see there has been a decline in the last years offerings. Please know how important your offerings are to our parish.

In this Sunday's Gospel, Jesus reminds us to "repay to Caesar what belongs to Caesar and to God what belongs to God." His words teach us that while we have responsibilities in this world, our greatest responsibility is to God. Everything we have—our time, talents, blessings, and lives—is a gift from Him. As we go about our daily lives, may we remember to put God first, honor Him through our actions, and give Him the love, faith, and devotion He deserves.
