In today's Gospel, Jesus reminds us that the greatest commandment is to love God with all our heart, soul, and mind, and to love our neighbor as ourselves. These two commandments are the foundation of our Christian faith. True love for God is reflected in the way we treat others—with kindness, patience, forgiveness, and compassion. It is easy to say we love God, but the true test of our faith is how we show that love in our daily lives. This week, let us challenge ourselves to be more loving, more forgiving, and more willing to help those in need. Remember, when we love one another, we are sharing God's love with the world.
