This Sunday, God's Word invites us to consider the vineyard He has entrusted to each of us. God has planted, nurtured, and blessed us with so much—our faith, our families, our parish community, our talents, and the opportunities we have each day to love and serve one another.

The question is: What kind of fruit are we producing?

Jesus reminds us that simply being part of the vineyard is not enough. Our faith must bear fruit in the way we live...with kindness, forgiveness, generosity, patience, and love. Everything we have is ultimately a gift from God, entrusted to us so that we might use it for His glory and for the good of others.

This week, take a moment to look at the vineyard God has placed in your care. Where is He asking you to grow? Where is He asking you to forgive, serve, or love more deeply?

May our lives produce good and lasting fruit, so that others may come to know Christ through us.
God has given us the vineyard.
May we give Him the fruit.
